Why should you sponsor Kelsall Hill Horse Trials?

"Kelsall Hill consistently provides great competition opportunities for the British Eventing membership, and we are delighted that they will be hosting their first International classes from 2021. Their tender for these classes highlighted their ability to provide viable commercial partnership offerings, and sponsorship at Kelsall Hill is a brilliant way to gain access to a unique and engaged demographic. The sport of Eventing is high paced and exciting, and I am sure that anyone involved in the sport and with the team at Kelsall Hill will find it a valuable and rewarding experience."

Jude Matthews, Former CEO of BE

"As a sponsorship opportunity there is no one better placed than Kelsall Hill Horse Trials. The Spring International event will attract the best riders and horses with their owners from across the UK and abroad, providing the sponsor a unique chance to put their product to a very select audience. In the autumn, Kelsall Hill Horse Trials offers competition for not only the our grassroots riding members but also the aspiring members who compete nationally aiming to reach the top of the busiest competition calendar anywhere."

Fiona O'Hara, Chairman of BE

"Kelsall Hill is renowned throughout the country for its unbelievably good footing come wind, rain or shine. I enjoy the challenge of giving the lower level riders a taste of the questions facing the riders of the upper echelons of the sport while at the same time providing an educational experience for the younger horses with the country's top professional riders. The great viewing at Kelsall Hill cross country course provides spectators with a unique opportunity to watch the stars of tomorrow crossing the country."

Captain Mark Phillips (Picture courtesy of FRW Photography)

"I would thoroughly recommend sponsoring Kelsall Hill Horse Trials. They have a great range of options to suit all businesses big or small. Phil and his team look after their sponsors really well and the hospitality is excellent."

Sarah Hamlyn

BRITISH EVENTING REGIONAL CO-ORDINATOR FOR CENTRAL NORTH

"I love it here at Kelsall Hill, the courses are great they have a 3 day feel to them, they are very chunky and lots of undulation catering for all levels providing plenty of education."

Rosalind Canter (Picture courtesy of FRW Photography)

INTERNATIONAL EVENT RIDER

"Following all the really good things I had heard, I decided to take the 4 hour drive to Kelsall Hill and everything was as good as we had hoped. The XC course had a great flow to it as it had lovely sweeping lines and proved very educational with 4 really decent ditches, a big step and a fab water complex. The whole team did brilliantly, next year I will be back with 8 horses!"

Harry Meade (Picture courtesy of FRW Photography)

INTERNATIONAL EVENT RIDER

"Kelsall Hill has to be one of the best one day events for producing and educating horses. The ground is always exceptional and the courses are very encouraging for newly upgraded horses."

Andrew Hoy (Picture courtesy of Mark Clayton)
INTERNATIONAL EVENT RIDER

"I was very pleased with all my rides, I thought it was a very educational and fair course which although walked big in places rode very well. I was impressed with all aspects of the event and will plan to come back."

Andrew Nicholson (Picture courtesy of Matt Nuttall Photography)
INTERNATIONAL EVENT RIDER

"Kelsall Hill is definitely one of the best one day events on the circuit and one that I always try to get to, an outstanding horse trials venue. The cross country courses are fantastic in design and build, whilst being spectator friendly with a 'Barbury-esque' cross country viewing which ensures the event is popular with owners too. The ground was amazing, full credit to the team."

Piggy French (Picture courtesy of FRW Photography)
INTERNATIONAL EVENT RIDER

"In my opinion, Kelsall Hill is one of the best one-day event courses I've seen in this country. I hadn't planned to run all my horses today but when I saw how fantastic the ground was I thought that I would give them a confidence-giving run before aiming them at Boekelo Horse Trials in Holland. Full credit to the Kelsall Hill team - this is an exceptional event."

Oliver Townend (Picture courtesy of Peter Robinson)
INTERNATIONAL EVENT RIDER

"This was my first visit to Kelsall Hill and I really enjoyed it. It's a lovely venue which has almost the feel of a three-day event."

Jonny Evans (Picture courtesy of Matt Nuttall Photography)

The Showjumping Arena

For the first time in our eventing history this phase will take place on a surface in our newly refurbished outdoor arenas. This element of the competition is the deciding phase for many grass roots eventers, as elimination means they cannot go on the cross country. The fence will be added to our collection of show jumps and will remain as a permanent fixture at Kelsall Hill.
