SYTNER LAND ROVER KNUTSFORD ARE PROUD TO SUPPORT KELSALL HILL INTERNATIONAL HORSE TRIALS

Discovery is beautifully proportioned for a full-size SUV, with sleek, wrap-around headlights and tail lights combining with short front and rear overhangs to reduce visual length. A fast windscreen angle, rising belt line and elegant, smoothly contoured shape, result in a streamlined and dynamic form which combines aerodynamic efficiency with class-leading interior space. The body-coloured C-pillar, stepped roof and asymmetric element on the rear number plate panel all refer to the rich lineage of previous Discovery design.

Call or visit to book your test drive today.

Free Vehicle Health Check plus Wash & Vac on any vehicles over 3 years.

Event Health & Safety Policy

GENERAL

- I. The Horse Trials Organiser, named in the programme, has overall responsibility for health and safety and appoints a Health and Safety Steward, also named in the programme, to ensure that all the appropriate Health and Safety legislation is complied with.
- 2. The Horse Trials Organiser, named in the programme undertakes to run the competition in accordance with the British Eventing rules and guidance.
- 3. The Horse Trials Organiser is required to ensure all Chief Stewards appointed by the Organiser have received, read and understood the relevant section of the guidance to ensure they are aware of the requirements and standards for their area of responsibility.
- 4. The Health and Safety Steward (primarily) and the Organiser are required to ensure the area of competition and those accessible to the public and other Officials are (so far as is reasonably practicable) subject to a risk assessment and that this, and a record of the actions taken, is documented in the events Health and Safety Plan.

OFFICIALS

- 5. Stewards, judges and officials are briefed in their duties and provided with the relevant equipment to carry out their duties.
- **6.** They are required to bring to the attention of the Health and Safety Steward any concerns they have for the Health, Safety and Welfare of the public and the officials.
- 7. They are required to bring to the attention of the BE Technical Adviser or Steward any concerns they may have for the Health, Safety and Welfare of the competitors.
- **8.** They are required to conduct themselves in such a manner not to put their self or anyone else at risk and maintain control of the area around their location.
- The BE Technical Adviser, BE Steward or Health and Safety Steward are required to ensure the Officials are properly briefed in their duties and are properly equipped.

SPECTATORS

- **10.** All reasonable and practical steps are taken to ensure the health, safety and welfare of those attending the event. Spectators are, so far as is reasonably practicable: -
- a) Encouraged to purchase a programme which contains a map showing the different parts of the event site and suitable viewing locations.
- **b)** Directed clearly to wherever they want to go e.g. secretary's office, toilets, first aid point or cross country course.
- c) Prevented from straying inadvertently into the path of oncoming horses by defined crossing points, signage, stringing, whistle blasts or public address announcements.

Event Health & Safety Policy

CONTRACTORS

11. All contractors working at the Event are required to observe best working practices, comply with all legislation relevant to their business and take all reasonable and practical steps to safeguard their employees and those attending.

FXHIBITORS

12. All exhibitors are responsible for the safety of their own stands and the risks that they may pose to other persons within the allocated space or immediate surrounding areas. This is subject to monitoring by the Health and Safety Steward and Organiser.

EMERGENCIES

- **13.** The emergency services at the event include the doctors, ambulances, vet and fence repair personnel. They have access to all parts of the site and can be quickly contacted through any steward, judge or official most immediately through the issue of a personal radio.
- **14.** Accidents involving horses and competitors are well catered for and the appropriate officials are constantly ready to report these as they occur and to call for appropriate emergency services.
- **15.** Emergencies not connected with the competition (e.g. in the Equestrian Centre) may be dealt with by the emergency services on the site but outside emergency services (e.g. the fire brigade) may be needed too. Telephones for such emergency calls are located at the Equestrian Centre or Cross-Country Control.

SAFETY INFORMATION

The organisers of this event advise that due to the uneven and, in parts, irregular terrain at this event it may at times be difficult for spectators to move around freely and easily, as a result of which, it may not be suitable for those spectators who suffer from certain medical conditions. All spectators enter the event at their own risk and are advised to wear suitable footwear. The organisers shall not incur any liability, except as required by law, in respect of any injury or damage by any spectators howsoever caused.

- I. All dogs to be kept on leads at all times.
- 2. Anyone requiring First Aid should go to reception at the Equestrian Centre or any First Aid Post.
- All persons attending the event must use crossing points when on cross country course.
- 4. Watch out for horses at all times.
- 5. Listen for the Whistle.
- 6. Ensure children are under control at all times.
